

Study Circle Career Development Institute

AMC Paper - 1998

A

Time : 1 Hrs.

Marks : 200

INSTRUCTIONS

1. IMMEDIATELY AFTER THE COMMENCEMENT OF THE EXAMINATION, YOU SHOULD CHECK THAT THIS TEST BOOKLET DOES NOT HAVE ANY UNPRINTED OR TORN OR MISSING PAGES OR ITEMS, ETC. IF SO, GET IT REPLACED BY A COMPLETE TEST BOOKLET.
2. Please note that it is the candidate's responsibility to encode and fill in the Roll Number and Test Booklet Series A, B, C or D carefully and without any omission or discrepancy at the appropriate places in the OMR Answer Sheet. Any omission/discrepancy will render the Answer Sheet liable for rejection.
3. You have to enter your Roll Number on the Test Booklet in the Box provided alongside. DO NOT write anything else on the Test Booklet.
4. This Test Booklet contains 100 items (questions). Each item is printed both in Hindi and English. Each item comprises four responses (answers). You will select the response which you want to mark on the Answer Sheet. In case you feel that there is more than one correct response, mark the response which you consider the best. In any case, choose ONLY ONE response for each item.
5. You have to mark all your responses ONLY on the separate Answer Sheet provided. See directions in the Answer Sheet.
6. All items carry equal marks.
7. Before you proceed to mark in the Answer Sheet the response to various items in the Test Booklet, you have to fill in some particulars in the Answer Sheet as per instructions sent to you with your Admission Certificate.
8. After you have completed filling in all your responses on the Answer Sheet and the examination has concluded, you should hand over to the invigilator only the Answer Sheet. You are permitted to take away with you the Test Booklet.
9. Sheets for rough work are appended in the Test Booklet at the end.
10. **Penalty for wrong answers :**
THERE WILL BE PENALTY FOR WRONG ANSWERS MARKED BY A CANDIDATE IN THE OBJECTIVE TYPE QUESTION PAPERS.
 - (i) There are four alternatives for the answer to every question. For each question for which a wrong answer has been given by the candidate, **one-third** of the marks assigned to that question will be deducted as penalty.
 - (ii) If a candidate gives more than one answer, it will be treated as a **wrong answer** even if one of the given answers happens to be correct and there will be same penalty as above to that question.
 - (iii) If a question is left blank, i.e., no answer is given by the candidate, there will be **no penalty** for that question.

DO NOT OPEN THIS TEST BOOKLET UNTIL YOU ARE TOLD TO DO SO

AMC, MCGB, Examination Paper - 1998

Screening Test

- 1) Which of the following techniques of Governmental control over Municipal Corporations is most suitable and democratic?
- 1) Supersession of Corporation body 2) Removal of the Mayor
3) Advice and information 4) Prior approval of any local action
-
- 2) Which one of the following pairs is correctly matched?
- (a) Transport Manager : Appointed by the State Government

- 1) (a) alone is correct 2) (a) and (b) are correct
3) (a), (b) and (c) are correct 4) All are correct
-
- 4) Municipal Corporation is a
- 1) Private Company 2) Government department
3) Trust 4) Legal person
-
- 5) The purpose of position classification is not concerned with
- 1) Promotion 2) Discipline 3) Pay structure 4) Training
-
- 6) Consider the following statements and select your answer —
- Assertion** : Panchayati Raj is established in rural areas
Reason : People in rural areas did not participate in development activities
- 1) Assertion is correct but reason is incorrect
2) Assertion is incorrect but reason is correct
3) Both are correct
4) Both are incorrect
-

7) Match list I correctly with list II, and select your answer using codes given below :

List I

- A - Municipal Corporation
B - Metropolitan area
C - Municipal Council
D - Nagar Panchayat

- 1) A - III, B - II, C - I, D - IV
3) A - I, B - III, C - IV, D - II

List II

- I - Smaller urban area
II - Transitional areas
III - Population of 10 lakhs or more
IV - larger urban area

- 2) A - IV, B - III, C - I, D - II
4) A - III, B - I, C - II, D - IV

8) Consider the following :-

Assertion (A) - As a matter of fact, public administration may be called the highest of the art

Reason (R) - It provides skill for art of management of men

- 1) Both A and R are correct and R is the correct reason for A
2) A and R both are Correct but R is not the correct reason for A
3) A is true but R is false
4) A is false but R is true

9) Match list I with list II, and select your answer using the codes given below :

List I

- i) Intellectual Calibre
ii) Skill in trade
iii) Mental attitude
iv) Social awareness

- 1) i - d, ii - c, iii - a, iv - b
3) i - a, ii - b, iii - d, iv - c

List II

- a) Oral
b) Aptitude
c) Written
d) Performance

- 2) i - c, ii - d, iii - a, iv - b
4) i - c, ii - d, iii - b, iv - a

10) Which of the following statements is correct

The 74th amendment Act, 1992 provides for Municipal Corporation

- (a) Reservation of seats for scheduled casts
(b) Reservation of seats for schedules tribes
(c) Reservation of seats for women
(d) Nomination by stale of persons having special knowledge in Municipal administration
- 1) (a) alone is correct
2) (a) and (b) are correct
3) (a), (b) and (c) are correct
4) all are correct

11) Which of the following factors affect the span of control?

- 1) Efficiency and expenditure
2) Control and punishment
3) Nature of work and communication
4) Demand and supply

12) are the factors of departmentation

- 1) Control, Promotion, Discipline
2) Promotion, Transfer, Gifts
3) Effectiveness, Control, Punishment
4) Co-ordination, Control, Caution

13) is the basic objective of the communication.

- 1) To provide the estimates
2) To provide the figures
3) To provide the data
4) To provide the messag

- 14) First read the following statements carefully -
(a) Budgets are financial expression of management's plan
(b) Budgets are control devices

1) (a), (b) and (d) are correct
2) (a) and (d) are correct
3) (b) and (c) are correct
4) (a) and (c) are correct
-
- 15) Break-even point is a level at which total cost equals
1) Net revenue 2) Net Profit 3) Anticipated revenue 4) Total revenue
-
- 16) Principle of unity of command means -
(a) Subordinate should follow any one order at a time
(b) Superior should have only one subordinate
(c) Subordinate should be controlled by one superior
(d) Commands should always be in writing
1) only (c) is correct
2) only (d) is correct
3) (a) and (b) are correct
4) (a) and (c) are correct
-
- 17) is regarded as one of the most significant resource, besides conventional resource
1) Leadership 2) Information 3) System 4) Organisation
-
- 18) First read the following statements carefully -
(a) Industrial revolution is characterised by shift from household to factory production
(b) Industrial revolution is characterised by shift from steam engine to electrical power
(c) Industrial revolution is characterised by shift from manual labour to machine
(d) Industrial revolution is characterised by shift from local market to international market
1) only (a) is correct
2) (a), (b) & (c) are correct
3) (a) and (c) are correct
4) (a) and (d) are correct
-
- 19) Organisation charts do not show
1) Authority relations 2) Hierarchy
3) Delegation of authority 4) Superior-subordinate relations
-
- 20) Which of the following statements is true?
1) Direction involves guiding superiors and supervising subordinates
2) Direction involves guiding subordinates and supervising superiors
3) Direction involves guiding and supervising subordinates
4) Direction involves guiding and supervising superiors
-

- 21) Choose the right combination of correct statements -
Management development must aim at
- Assuring the organisation availability of the required number of managers with required skills
 - Providing housing accommodation to employees
 - Providing loans to employees
 - Improving performance of managers at all levels
- (a), (b) & (c) are correct
 - all are correct
 - (a) & (b) are correct
 - (a) & (d) are correct
-
- 22) Motivation results in improving
- Remuneration
 - Popularity
 - Job efficiency
 - Work-control
-
- 23) Management decisions are effective
- When they are rational & practicable
 - When they are based on scientific information
 - When the attitudes of administrators are objective
 - When the decision-makers are large in number
-
- 24) Coordination denotes
- Maintaining high morale
 - Orderly pattern of group efforts
 - Providing job satisfaction
 - Two-way communication
-
- 25) Effective communication
- Enables the members to think together and act together

 - Safety, Affiliation, Physiological, Recognition
 - Physiological, Safety, Affiliation, Recognition
-
- 28) The proper sequence of steps in the control process is as follows
- Standard, Appraisal of performance, Comparison, Corrective action
 - Appraisal, Standard, Corrective action, Comparison
 - Comparison, Appraisal, Standard, Corrective action
 - Corrective action, Comparison, Appraisal, Standard
-

- 29) The basic elements of organisation are
- 1) Efficiency, Morality, Methods
 - 2) Productivity, Discipline, Regulations
 - 3) Division of work, Sources of Authority, Establishing relationships
 - 4) Planning, controlling, staffing
-
- 30) "Delegation is the entrustment of responsibility to another" - Select the correct alternative for this statement
- 1) True
 - 2) False
 - 3) Neither true nor false
 - 4) Partially true
-
- 31) Constructive step to minimise acts of indiscipline would be
- 1) Removing dissatisfaction
 - 2) Controlling violence and disturbance
 - 3) Framing code of conduct
 - 4) Analysing causes of indiscipline
-
- 32) What is the main objective of discipline?
- 1) To get voluntary acceptance of members to rules, regulations and policies of the organisation
 - 2) To attain maximum productivity and output
 - 3) To get the work done by workers
 - 4) To provide direction and get cooperation
-
- 33) The process of evaluation begins with
- 1) Measure of performance
 - 2) Comparison of actual performance with standard
 - 3) The initiation of corrective action
 - 4) The establishment of performance standard
-
- 34) Manpower planning is needed in order to
- 1) Identify areas of surplus personnel or where there is shortage of personnel
 - 2) Improve chances of promotion
 - 3) Determine the number of personnel required
 - 4) Achieve organisational goals
-
- 35) is used for maintaining team-spirit
- 1) Professional approach
 - 2) Negative approach
 - 3) Human relations approach
 - 4) Positive approach
-
- 36) The correct meaning of "job Specification" is
- 1) A statement of the contents of the job
 - 2) A statement of the human requirements for doing the job
 - 3) A statement of duties to be performed by the employee
 - 4) A statement of job summary
-

- 37) Consider the following statements about aptitude tests
- (a) Aptitude tests are designed to predict the potential an individual has, to perform a job
 - (b) Aptitude tests are designed to measure abilities acquired by training
 - (c) Aptitude tests are designed to measure skills acquired by experience
 - (d) Aptitude tests are designed to assess the style of behaviour
- Now choose the right combination of the correct statements —
- 1) (a) alone is correct
 - 2) (a) and (b) are correct
 - 3) (a), (b) and (c) are correct
 - 4) All are correct

- 38) In case of Negligence, to show that the low production was due to negligence
- 1) The facts and circumstances should be placed on record
 - 2) Even though, the performance is admittedly poor, it has to be shown that it was due to negligence
 - 3) It has to be shown that it was due to negligence and not because of any other reasons

 - 4) Transfer the employees to some remote locations

- 40) Interviewing as a selection tool, can be substantially improved by
- 1) Maintaining privacy in the interview room
 - 2) Training and preparation on the part of the interviewer
 - 3) Minimising the waiting period for the candidates
 - 4) Having more interviewers

- 41) Find out the appropriate theme of the test and form pairs

Test

- A — Aptitude
- B — Achievement
- C — Personality test
- D — Interest

Theme

- I — Mental, Mechanical and Psychomotor
 - II — Likes and dislikes
 - III — Job knowledge and work sample
 - IV — Objective, projective situation
- 1) A - III, B - IV, C - I, D - II
 - 2) A - I, B - III, C - IV, D - II
 - 3) A - II, B - III, C - I, D-IV
 - 4) A - II, B - IV, C - I, D - III

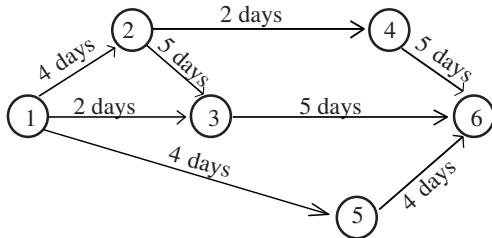

- 42) Which one of the terms is appropriate for following statement
- “Research in behavioural science is increasing our knowledge of relationships among individuals and groups, employees and employers as well as workers and their supervisors. Ideas on motivation, productivity, morale and discipline have gone beyond mere assumption and possess factual and experimental support.
- 1) Community mores

 - 4) Man-to-man comparison method
-
- 50) Discipline maintenance is the right of the employer. This statement is
- 1) Correct
 - 2) Incorrect
 - 3) Partially correct
 - 4) Partially incorrect
-
- 51) Which is the method of budgeting whereby all activities are revalued each time when budget is formulated?
- 1) Rolling budget
 - 2) Performance budget
 - 3) Zero base budget
 - 4) Flexible budget
-

- 52) Which of the following statements best describe the nature of auditing?
 1) Auditing is an examination of books and vouchers
 2) Auditing is the verification of accounting data
 3) Auditing is an independent examination of financial information
 4) Auditing is a systematic & independent examination of data, statements, records etc.
-
- 53) Which of the following statements is correct in connection with audit?
 1) In all auditing situations, the only evidence available to the auditor is books and vouchers
 2) An auditor seeks conclusive evidence in support of the propositions under review
 3) Being a practical discipline auditing does not require any underlying theory
 4) The concept of evidence is fundamental to all auditing situations
-
- 54) Where is Zero base budgeting applicable? Find the correct answer
 1) Large organisations in private & public sector
 2) Large organisations in private & public sector — both profit making and non-profit making
 3) Manufacturing support industries
 4) To all government activities and services
-
- 55) There are always limiting factors that must be considered which ensuring budget as a reasonable because.....
 1) It is a prestige issue for budget officer 2) it is a rational view
 3) It is the consideration of key factors 4) It is prevention rather than cure
-
- 56) Complete the following statement by choosing the correct alternative from the given alternatives — The origin of auditing in its simple form was due to the
 1) Emergence of large scale business
 2) Diversion of ownership and management
 3) Need for a check on the honesty and reliability of persons appointed to record and handle cash transactions on behalf of others
 4) Need for detecting errors
-
- 57) The fixed cost of a firm is Rs. 16,500. If manufactures the product, whose variable cost is Rs. 10/- per unit. The product is sold at Rs. 20 per unit. If sells 3,000 units per year, find out the break-even point.
 1) Rs. 33,000 2) Rs. 50,000 3) Rs. 30,000 4) Rs. 60,000
-
- 58) Which of the following two aspects have grater emphasis in Government audit?
 (a) Accuracy and records (b) Classification of transactions under different heads
 (c) Priority of expenditure (d) Compliance with procedure and control
 1) (a) and (b) 2) (c) and (d) 3) (a) and (c) 4) (b) and (c)
-
- 59) What are the correct A's of financial managers?
 1) Anticipation, acquisition, allocation, assessment and appropriation
 2) Acceptance, absorption, action, additions, accuracy
 3) Anticipation, accuracy, action, allocation, additions
 4) Acceptance, acquisition, absorption, assessment, appropriation
-

- 60) The value obtained by compounding the current cash flows to a future date at a certain rate is called
- 1) Present value of money
 - 2) Time value of money
 - 3) Terminal value of money
 - 4) Net present value

- 61) Study the followings network —

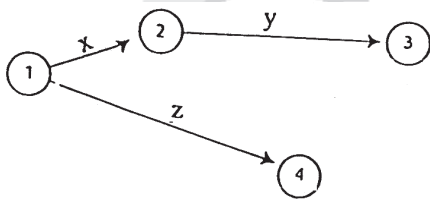

Find the project duration —

- 1) 11 days
- 2) 18 days
- 3) 20 days
- 4) None of these

- 62) Critical path means

- 1) The longest path for completing project
- 2) The shortest path for completing project
- 3) Average path for completing project
- 4) None of these

- 63) First consider the following.

Find the correct alternative from the following —

- 1) Activity 'z' must start after completion of 'y'
- 2) Activity 'z' must start after completion of activities 'x' and 'y'
- 3) Activity 'z' is independent of activities 'x' and 'y'
- 4) Activity 'x' and 'y' cannot start unless 'z' is complete

- 64) An activity has the following timings —

Optimistic time — 5 hours
 Pessimistic time — 13 hours
 Most likely time — 6 hours

Network purposes is

Hence the time estimate for activity for network purposes is -

- 1) 6 hours
- 2) 9 hours
- 3) 7 hours
- 4) 5 hours

- 65) First consider the following —

A) PERT is a useful technique where activities have uncertain time
 B) CPM is a useful technique where activities have well defined time

Now find the correct alternative —

- 1) 'A' is true but 'B' is not true
- 2) 'B' is true but 'A' is not true
- 3) 'A' and 'B' both are true
- 4) 'A' and 'B' both are not true

- 66) Standard General Conditions of contracts are formed by one of the Institutions in India Name the main institution.
- 1) Institute of Mechanical Engineers
 - 2) Institute of Electrical Engineers
 - 3) Association of Consulting Engineers
 - 4) National Association of Consulting Engineers
-
- 67) In project planning, foreign collaboration is based on government policy which includes
- 1) Need for foreign technology and Royalty payment
 - 2) Terms and conditions of collaboration agreement
 - 3) Foreign investment
 - 4) All of the above together
-
- 68) What are the causes for failure of projects?
- | | |
|-----------------------------------------------|---------------------------------------------|
| (a) Excessive optimism of project planner | (b) Unrealistic estimates in implementation |
| (c) Unforeseen resistance like disasters etc. | (d) Inefficient administrative procedure |
- 1) (a) alone is correct
 - 2) (a) and (b) are correct
 - 3) (a), (b) and (c) are correct
 - 4) All are correct
-
- 69) For formulation of any project which factors from the following are considered?
- | | |
|----------------------------------------------------|------------------------------------------|
| (a) Skill and competence of people | (b) Benefits of Govt. grants and subsidy |
| (c) Availability of infrastructure for development | (d) Study of T.V. serials |
- 1) (a) alone is correct
 - 2) (a) and (b) are correct
 - 3) (a), (b) and (c) are correct
 - 4) all are false
-
- 70) Lower payback period of the project means
- | | |
|-----------------------------------|-------------------------------------|
| (a) Project is highly profitable. | (b) Profitability is most uncertain |
| (c) Liquidity is most uncertain | (d) Combination of (b) and (c) |
- 1) (a) alone is correct
 - 2) (a) and (b) are correct
 - 3) (a), (b) and (c) are correct
 - 4) (d) is correct
-
- 71) Fire took place in a big tent, where around 1,000 pilgrims were accommodated. Many died. What preliminary steps would need to be taken in future to save lives -
- 1) Pilgrims should be accommodated in pucca houses
 - 2) Telephone connection should be installed near the tent to establish police contact
 - 3) Ample exits should be provided to such tent
 - 4) Police Station should be set up near the tent
-
- 72) The best policy for controlling population growth over a long term basis is
- | | |
|-----------------------------------------------------------------------|--|
| (a) to carry out counselling by trained social workers | |
| (b) to make family planning aids easily available | |
| (c) to remove all concession to third and later children | |
| (d) to make provision for free family planning operation and abortion | |
- 1) (a) lone
 - 2) (a), (b) and (c) together
 - 3) (b), (c) and (d) together
 - 4) all together
-

- 73) The most effective way of preventing traffic jams in a busy commercial area in the city
 (a) Promoting office areas at different locations in the city
 (b) Banning bringing private vehicles in the city beyond a set limit
 (c) Providing an efficient public transport system
 (d) Widening roads and restricting parking of vehicles on the roads
 1) (a) alone 2) (b) and (c) together 3) All together 4) (d) alone
-
- 74) The most effective measures for prevention of new slum areas is
- 1) Banning starting new large factories in a city and a zone of 50 k.m. around the metro cities
 - 2) Keeping vigilance squads to prevent start of formation of slums
 - 3) Stopping supply of basic facilities like water and electricity to slums under formation
 - 4) Promoting industrial estate in rural areas
-
- 75) The most effective way of limiting loss due to distruction in an earth-quake prone zone is
- 1) To prevent industry and construction in such zones
 - 2) To prepare scientific instruction manual and to distribute it to people in such zones
 - 3) To hold mock exercises to train people to act in such crisis
 - 4) To take all the above actions
-
- 76) As per 1991 census, population of Mumbai is about
- 1) 70 lakhs 2) 90 lakhs 3) 1 crore 4) 1.15 crores
-
- 77) In India the first inter city Railway Route was started between
- 1) Hawrah and Patna 1838 2) Mumbai and Thane 1853
 - 3) Mumbai and Thane 1809 4) Delhi and Agra 1834
-
- 78) Provision of lift is essential in buildings having height more than
- 1) 10 meters 2) 15 meters 3) 21 meters 4) 24 meters
-
- 79) In Mumbai free houses to slum dwellers through Private sector is a scheme based mainly on
- 1) Slum clearance and redevelopment 2) Higher F.S.I. as an Incentive
 - 3) Slum rehabilitation 4) Govt. Grants
-
- 80) A flyover segregates traffic with respect to
- 1) Direction 2) Grade 3) Speed 4) Class of Vehicles
-
- 81) For a National Highway the minimum formation width is
- 1) 18 meters 2) 12 meters 3) 30 meters 4) 24 meters
-
- 82) In Transportation Planning the volume of traffic is generally counted as
- 1) Aggregate of slow moving and fast moving vehicles 2) Passenger car units
 - 3) Aggregate of all vehicles 4) None of the above
-

- 83) In Town Planning intensity of land-use is controlled through
 1) Tenement Density per hector 2) Population per hector
 3) Floor space Index 4) all above
-
- 84) Under the provisions of Maharashtra Regional and Town Planning Act, 1966, preparation of Development Plan is the obligatory duty of
 1) Town Planning officers 2) Municipal Corporation or Municipal Council
 3) City and Industrial Development Corporation 4) State Govt. in Urban Development Dept.
-
- 85) Non-agricultural permission is given by
 1) Municipal Authority 2) Zilla Parishad
 3) Town Planning Department 4) None of these
-
- 86) Height of building is generally related to
 1) Area of plot 2) Width of front road
 3) Width of front road & front margin 4) Depth of plot
-
- 87) When any land is acquired for public purpose compensation is payable on the basis of
 1) Land value in its existing use 2) Value as determined by Govt.
 3) Present Market value 4) Future potential value
-
- 88) Under the Maharashtra, Regional and Town Planning Act, 1966, Town Planning Schemes are prepared for
 1) Construction of roads 2) Planning of basic social amenities
 3) Implementation of Development Plans 4) All of the above
-
- 89) Final Award of the Town Planning Scheme is drawn by
 1) Town Planning Officer 2) Arbitrator
 3) Special land Acquisition officers 4) State Govt.
-
- 90) Under the provisions of Maharashtra Regional and Town Planning Act, the Development Plans are to be revised after every
 1) 5 years 2) 10 years 3) 15 years 4) 20 years
-
- 91) The Chapter 'Fundamental Rights' of the Constitution of India has very well been described as
 1) Magna Carta of India 2) Bhagawat Geeta of India
 3) Bible of India 4) Bill of Rights of India
-
- 92) Complete the sentence with the help of possible answers :
 "When a part of the statute is declared unconstitutional"
 1) The whole statute is declared void 2) only the repugnant provision is treated as void
 3) The whole statute is treated as void 4) The statute is not given any effect
-

93) Can a citizen waive his/her fundamental right?

- 1) Yes
2) No
3) The constitution is silent on this issue
4) It is left to the Judiciary

94) Jurisprudence means "

- 1) ... The wisdom of judges"
